II. Lyrics (In order of appearance):

ClariS 2012 - "Connect" (*Puella Magi Madoka Magica* - op)

First Chorus

To draw the future when my awakened heart has run away, Even if I stop on the difficult road The sky will always remain its beautiful blue, Whatever happens from now on, I won't be discouraged	目覚めた心は走り出した未来を描くため 難しい道で立ち止まっても 空は綺麗な青さでいつも待っててくれる だから怖くない もう何があっても挫けない

Yuming (Arai Yumi) 1975 - "Graduation Photograph 卒業写真"

First Chorus

When I go with the flow, please scold the changing me sometimes from far away	人ごみに流されて 変わってゆく私を あなたはときどき 遠くでしっかて

PinocchioP 2022 - "Reincarnation Apple 転生林檎" ft. Hatsune Miku

First Chorus

(Official English Translation)

Again and again, reborn and reborn Dancing on a mountain of corpses Reincarnation, grievous cry of reincarnation Love me, love me, no Again and again, reborn and reborn The same characterless stories are sparkling Reincarnation, overkill at the end of endless reincarnations Why, oh why	くりかえし　くりかえし　生まれ変わり 山積みの亡骸の上でダンシング リインカーネーション　リインカーネーションの悲痛な叫び 愛して　愛して　嫌 くりかえし　くりかえし　生まれ変わり きらめく似たり寄ったりのストーリー リインカーネーション　リインカーネーションの果てのオーバーキル どうして　どうして

Sheena Ringo 1999 - "Marunouchi Sadistic 丸の内サディスティック"

First Chorus

The smell of my Marshall gets me so high it's dangerous Every night it it brings me over the edge A single RAT is the only tool I need When Benji's music gets in my lungs, I trip	マーシャルの匂いで飛んじゃって大変さ 毎晩絶頂に達して居るだけ ラット1つを商売道具にしているさ そしたらベンジーが肺に映ってトリップ

YOASOBI 2019 - “Racing into the Night 夜に駆ける**”**

(Official English Translation)

[Intro] Just like I'm about to sink, just like I'm about to melt Only the two of us at night in the vast sky	[Intro] 沈むように溶けてゆくように 二人だけの空が広がる夜に
[Verse] It was only a simple goodbye But it was all I needed to understand The sinkingsun,therising night sky Overlapswith your figurebehind the fence Ever since the day we first met You stole my heart Like you were wrapped in fragile air You had a lonely gaze	[Verse] 「さよなら」だけだった その一言で全てが分かった 日が沈み出した空と君の姿 フェンス越しに重なっていた 初めて会った日から 僕の心の全てを奪った どこか儚い空気を纏う君は 寂しい目をしてたんだ
[Prechorus] In the world always ringing with "tick-tocks," again and again Touching the heartless words and loud voices Even if tears are about to spill If it were the two of us together I'm sure mundane happiness could be found	[Prechorus] いつだってチックタックと 鳴る世界で何度だってさ 触れる心無い言葉うるさい声に 涙が零れそうでも ありきたりな喜びきっと二人なら見つけられる
[Chorus] In the troubling days, for the never-smiling you I give my utmost love in hopes for the dazzling tomorrow In the never ending night before we fall Come and take my hand Even the days that you hid inside, wanting to forget It'll melt with the warmth of my embraces No need to be afraid, until dawn comes someday Let's be together	[Chorus] 騒がしい日々に笑えない君に 思い付く限り眩しい明日を 明けない夜に落ちてゆく前に 僕の手を掴んでほら 忘れてしまいたくて閉じ込めた日々も 抱きしめた温もりで溶かすから 怖くないよいつか日が昇るまで 二人でいよう

III. Selection of recent J-pop/Mandopop with IV endings

Song	Year	Artist	Details
“SAKURA”	2007	Ikimonogatari いきものがかり	IV - ii - iii - IV - III^{6} - **IV**
